

## You are Welcome Here!

---

Since 1969, Yokefellow Prison Ministry has been bringing hope to those in prison through volunteers in the community who care. Week after week, month after month, and year after year, Yokefellow volunteers “yoke together” with those in prison to develop relationships. Yokefellow is now launching its first post-incarceration ministry in Greensboro to continue this support as people transition from prison back into society. All are welcome.\*

## Yokefellow's Mission

In response to the call and example of Christ, Yokefellow Prison Ministry motivates and encourages those with a past, yoked in personal relationships with community volunteers, to examine their lives; experience the forgiveness, healing, and power of God's love; and return from incarceration with new disciplines that empower them to commit to taking personal responsibility and contributing to family and community.
