

## You are Welcome Here!

---

Since 1969, Yokefellow Prison Ministry has been bringing hope to those in prison through volunteers in the community who care. Week after week, month after month, and year after year, Yokefellow volunteers “yoke together” with those in prison to develop relationships. This form of ministry is now available over the Internet or telephone through Yokefellow’s Virtual Aftercare program, which provides support for **returning citizens** transitioning from prison back into society.

Are you feeling alone since  
your release from prison?

## Yokefellow's Mission

In response  
to the call and example  
of Christ, Yokefellow Prison  
Ministry motivates and  
encourages those with a past,  
yoked in personal relationships  
with community volunteers, to  
examine their lives; experience  
the forgiveness, healing, and  
power of God's love; and  
return from incarceration with  
new disciplines that empower  
them to commit to taking  
personal responsibility and  
contributing to family and  
community.
